Hello Everyone!

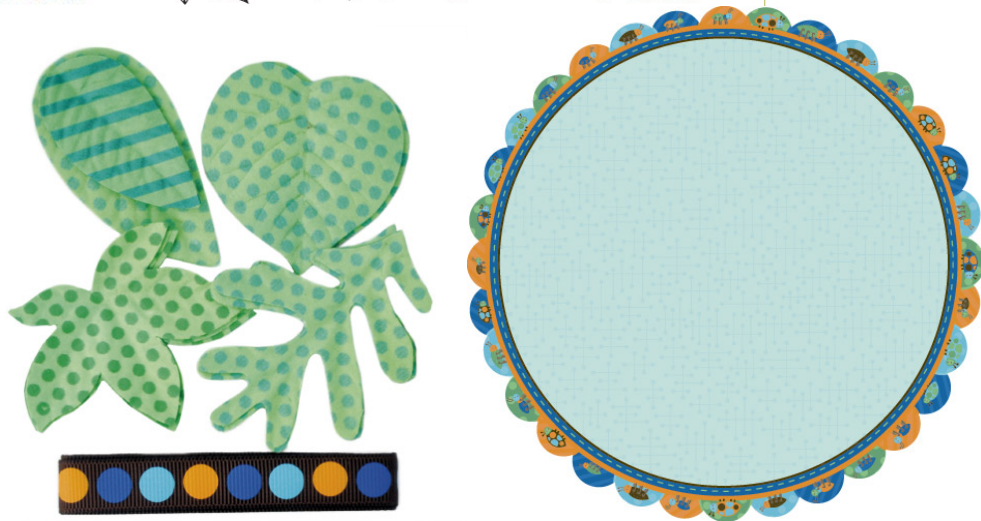

Hope all the mother's got spoilt on Mother's Day! I received a beautiful bracelet from Miss E. Lots of nice purple and silver beads. Mr M made me a really nice plaque with lots of glitter and butterflies on it. What else could a mum want? ☺

Geraldton Old Goal

We are open every Friday and Saturday between 10am and 2pm.

We are looking at the possibility of holding Saturday morning Technique workshops at the Old Goal in the 2nd Courtyard. Price would be between \$5 - \$10. Interested? What sort of techniques are you interested in?

I was thinking tear bears, paper piecing, embossing, glimmer mist, distressing...all ideas are welcome!

Basic Grey Classes

There are 3 New Basic Grey Classes available. They are for the newly released collections Max and Whiskers, Origins and Kioshi.

Each class will take 3 hours to complete and is for 1 double page and 2 single page layouts with plenty of bits left over for cards! Cost is \$40 per class, and they will be held on Wednesday mornings.
